

Can the City of Santa Cruz and the Mid-County use recycled water to meet water supply shortfalls?

## ***Community Meeting: Recycled Water***

- Learn why water is a critical issue and how supply shortfalls affect the City of Santa Cruz and Soquel Creek Water District.
- Learn how recycled water is being used for irrigation in Scotts Valley and the Pajaro Valley.
- Learn about the opportunities and limitations of recycled water for the City, Mid-County area, and other areas of California.
- Question and Answer Session.
